Purpose- The purpose of this meeting is to discuss and/or makes a decision on Ryan Ratkovec's medical leave.

### **Ryan Ratkovec Medical Leave**

Council was presented the information from the independent medical examination that was performed concerning Ryan Ratkovec's medical issues. He has 2 possible areas of concern for his return to work and 1 restriction. To address the one area of concern we had him complete a test of pool water to confirm that he could properly complete the task. The second area of concern is being address by him having to notify Shaun Jevne or Anita Locken should he start to have any issues. The restriction will be enforced until the time limit that the doctor specified.

**In Favor-** Brenda Sather, Christine Foss, Eric Etherington, Shawn Walsh

With having 3 full-time employees upon Ryan's return, job duties have been assigned to both Public Works Technicians. Ryan's duties will be the pool and all other parks and rec. Chad's duties will be daily rounds for water and sewer, streets and alleys. These are their main duties but they will still be completing other tasks as the needs arise.
