

The Greenbush City Council held a special meeting on March 22, 2021, at 6:00 pm. This meeting was conducted in person and via electronic methods due to the Governor's Emergency Declaration concerning the COVID Pandemic.

Council Present in Person: Eric Etherington, Josh Kern

Council Present via Electronic Methods: Christine Foss, Shawn Walsh

Others Present in Person: Anita Locken

Other Present via Electronic Methods: None

Purpose- The purpose of this meeting is to discuss and make a decision concerning the community center roofing project.

Community Center Roofing Project

Chad Emery decided that he would not accept the approved ½ of his materials increase for the community center roofing project. He didn't accept this increase because his request did not include all the materials increase that he would incur. The council now needs to decide what they want to do for this project. Awarding the project to the next highest bidder would still result in an increase in the project costs. Rebidding the project would probably come in with even higher prices.

M/S/P Christine Foss/Josh Kern to accept Chad Emery's materials increase request in the amount of \$3,150.00 for the community center roofing project.

Roll call responses in favor- Christine Foss, Shawn Walsh, Josh Kern, Eric Etherington
