The council proposes to proceed under the authority granted by Chapter 429 M.S.A.

City engineer Dustin Fanfulik recapped the project. Total cost was \$910,596.02. The city received a grant of \$775,647.00. That leaves a total of \$134,949.02 to be assessed. The cost per foot on these assessments will be \$28.97 per front foot. The proposed assessment was \$77.98 per front foot.

Terryl Erickson was in asking why she was being assessed. She did not realize the new watermain in front of her was bored and not open cut. She was ok with the assessment after the situation was explained.

Jared Foss said he was happy with the savings that the grant gave on the assessments and that his water pressure was better.

**M/S/P Eric Etherington/Christine Foss** to adopt Resolution 2018-14 Resolution Adopting Assessment including the parcels with deferments.

**In Favor-** Brenda Sather, Christine Foss, Eric Etherington
