**Purpose-** The purpose of this meeting is to discuss the 13 Sisters Pop – up Street Patio and the old city shop/STEM center billing.

**13 Sisters Pop-up Street Patio**

Kara Heggedal proposed that 13 Sisters would like to create more outdoor seating in front of their shop. The patio will be set up from Memorial weekend to Labor Day weekend (all summer). The intention of the patio is to create a space for people to enjoy their coffee from their store as well as enjoying the main street of Greenbush. They will take up to 25ft – 30 ft of main street to create the Pop-up Street Patio.

**M/S/P** Tim Truscinski/Christine Foss approve of the 13 Sister Pop-up Street Patio down Main Street North, in front of 13 Sisters.

All in favor: Eric Etherington, Christine Foss, Tim Truscinski, and Josh Kern

**The old city shop/STEM center billing**

The Greenbush Robotics team has been using the old city shop as their storage and practice area. The Robotics team has come to the city and has asked to use more space within the city shop. The city has come to a solution of allowing Robotics to use the designated space during their season time. They will be responsible for requiring their Liability Insurance to the city as well as paying for the propane during the time of use. Council member Tim Truscinski and Mayor, Eric Etherington will meet with the Robotics team to discuss this information with them on a different date.

**M/S/P** Christine Foss/Josh Kern to adjourn the meeting.
